ABOUT IRONED MAIDEN

"SCREAM FOR ME!"

The immortal rallying cry of Bruce Dickinson, vocalist for the legendary Heavy Metal band, IRON MAIDEN. One of the most Instantly recognisable and World renowned musical exports of the United Kingdom. Often imitated, but never bettered....

It has been said though, amongst the fans who attend our shows, that, IRONED MAIDEN, are the closest thing that they have heard and seen to the real McCoy.

Indeed, our lead vocalist Carl, takes Bruce's rallying cry to the masses with a force and fervour to do justice to the music that we all grew up listening to.

Combined with the rest of the bands studious efforts in studying all aspects of Iron Maiden from Instruments, to sounds, to costumes, to props, backdrops, stagecraft and mascots, ensures a night you will remember!

Ironed Maidens Facebook page has over 5000 followers(5080 at last count; The largest and fastest growing Iron maiden tribute fanbase in the UK online!)

Ironed Maiden regularly play Sold out gigs in the Cart & Horses in London.

Internationally recognised as the birthplace of Iron maiden, with recurring return bookings. The band have also staged live stream events during lock down with 9.4k views. Reaching fans internationally.

All members of Ironed Maiden continually invest in their equipment, professionally created backdrops, stage props and costumes, aiming to get the sound, look and feel as close as possible, including other little highlights that true fans will recognise.

Ironed Maiden are known for great and memorable performances that bring the audiences to see us live, in some cases, from several counties away.

Career highlights for the band include playing the Weymouth Pavilion(the bands home town), headlining festivals like Bike4Life, and Rock the Mote and being featured on an ITV news story recently about the Royal Mails release of stamps celebrating the real Iron Maiden(<https://www.itv.com/watch/news/royal-mail-pays-tribute-to-music-legends-iron-maiden/8g1m7lx>).
